IMPORTANT NOTES ABOUT ORDERING YOUR REQUIREMENTS

- All APSs must be provided in English. John Hancock does not cover translation fees and the translator should be at arm’s length to the sale.
- We will accept another company’s paramedical form. However, a John Hancock *Health Questionnaire (NB5002)* must also be included if another company’s paramedical form is submitted.
- Please note the following:
 - If a survivorship policy is applied for: **routine medical underwriting requirements** for each proposed insured are based on half the amount applied for; **non-medical requirements** are based on the full face amount.
 - If an individual and survivorship policy are applied for: **routine medical underwriting requirements** are based on the amount applied for under the individual policy plus half the amount applied for under the survivorship policy; **non-medical requirements** are based on the full face amount, both individual and survivorship policies.
- Requirements are based on the amount applied for and placed with John Hancock within the last 12 months.
- If one life is uninsurable, all requirements for the insurable life are based on the full amount applied for under the survivorship case, and only a *Health Questionnaire (NB5002)* is required on the uninsurable life.
- The underwriter may request or order additional requirements: e.g., database searches, PFTs, echocardiograms, treadmills, heart charts or cognitive assessments due to the proposed insured’s medical history, circumstances of a case, or facultative reinsurance.
- Requirements do not apply to COLI.
